

# Student Job Search

## Who is Student Job Search

1. Not for Profit
2. Student owned
3. Supporting students to find jobs for 29 years
4. The only employment agency in NZ dedicated entirely to supporting intending, current and graduate tertiary students to find work and encouraging employers to employ students;
5. Typically generates \$50-\$80 Million dollars in student earnings from 25-35,000 jobs each year.
6. Engages 60-100,000 students each month
7. Very high student and employer satisfaction – 85%+
8. Represents 1 of 3 services that University students value most on or around campus
9. Represents an asset individuals, communities, businesses and government could leverage to overcome the disconnect between business and youth – a bridge between students and businesses
